Form SUB1

SUBSCRIBER DETAILS

All companies must be set up with at least one person (or company) being named as the SUBSCRIBER to the company. Each subscriber must agree to purchase at least 1 share though they can agree to purchase as many shares as they wish up to the maximum authorised share capital. It is common for subscribers to purchase just one share which is paid for "against the cost of formation". However if the subscriber wishes to purchase more shares than the total costs they have paid to form the company they need to advise us how they are going to make payment (cash, exchange for goods etc).

Note that Companies Limited by Guarantee do not have shares and instead subscribers agree to pay the sum of £1 in the event of the company being wound up and unable to pay its debts. If this company is Limited by Guarantee please write the "Number of Shares" box.
